WHO WE ARE

A BREAKTHROUGH IN MINDSET AND STRONG PERFORMANCE!

We are hired again and again to embark on multiple projects - following our track record of delivering projects creatively, smoothly, efficiently and at levels of quality unmatched by our competitors. We are dedicated to providing every expertise and resources to deliver on every project objective and investment .

Hedge & Pembroke is a construction and facilities management company registered in Nigeria. It has been our mission since 2013 to design, build, and manage high-value buildings and infrastructure that enhance the quality of work and living environments of our clients. Our services range from architectural modeling & design, engineering, and construction to preventive maintenance.

We are proudly positioned to embark upon diverse construction projects across Nigeria - with the highest level of technical expertise, under any environmental condition, and within guaranteed start and completion dates. Whilst we are attentive to our clients' needs, we deploy our mastery of pre-construction planning, scheduling and logistics to develop the phasing strategy for all projects we embark upon.

Our clients expect and deserve nothing but the best.

The Shift to Green

Our mission is founded on the conviction that continued and committed efforts towards going green in all of our business activities whilst improving the quality of our services "with a keen focus on the customer" - must be pursued by every employee, and all stakeholders at Hedge & Pembroke.

OUR CORE VALUES

The projects we have the privilege of undertaking have a positive impact on society. We help businesses grow, economies thrive, communities prosper, CO2 reduction, and environment safe.

OUR PURPOSE

We are committed to quality and premium service delivery. To help us achieve this goal, we continue to develop our workforce to ensure our projects are executed with excellence.

OUR VISION

Our vision is to be the leading company in the construction, development, and management of future environments for working and living in Nigeria & beyond.
